Oh I Wish I Had A Boyfriend
I Wish I Had A Loving Man In My Life
I Wish I Had A Father
And Maybe Then I Woulda Turned Out Right
But Now I'm Just Crazy I'm Totally Mad
Yeah I'm Just Crazy I'm Fucked In The Head
And Maybe If I Really Tried With All Of My Heart
Then I Could Make A Brand New Start In Love With You

Oh I Wish I Had A Sun Tan
I Wish I Had A Pizza And A Bottle Of Wine
I Wish I Had A Beach House
Then We Could Make A Big Fire Every Night
Instead I'm Just Crazy I'm
Totally Mad
Yeah I'm Just Crazy I'm Fucked In The Head

And Maybe If I Really Tried With All Of My Heart
Then I Could Make A Brand New Start In Love With You
