Baby, now that I've found you  
I can't let you go  
I'll build my world around you  
I need you so  
Baby, even though you don't need me  
You don't need me

Baby, now that I've found you  
I can't let you go  
I'll build my world around you  
I need you so  
Baby, even though you don't need me  
You don't need me

Baby, baby, since first we met  
I knew in this heart of mine (I wanna tell you)  
The love we had could not be bad  
Play it right and bide my time

Spent a lifetime looking for somebody  
To give me love like you  
Now you've told me that you wanna leave me  
Darling, I just can't let you

Baby, now that I've found you  
I can't let you go  
I'll build my world around you  
I need you so  
Baby, even though you don't need me  
You don't need me  
Baby, now that I've found you  
I can't let you go  
I'll build my world around you  
I need you so  
Baby, even though you don't need me  
You don't need me

Spent a lifetime looking for somebody  
To give me love like you  
Now you've told me that you wanna leave me  
Darling, I just can't let you

Baby, now that I've found you  
I can't let you go  
I'll build my world around you  
I need you so  
Baby, even though you don't need me  
You don't need me

Baby, now that I've found you  
I can't let you go
