I won't listen to reason
I won't listen to you
I won't listen to reason
'cause I know what to do
I won't listen to you
A new way to be
(let's get higher)
A new way to be
(take me higher)
'cause in the context of no context
Everywhere cool, there's nothing new
Yeah in the context of you
Everywhere cool, there's nothing new
Yeah in the context of no contest
Everywhere cool, there's nothing new
Like in the context of you
I won't listen to reason
I won't listen to you
Five ways to nothing
Five ways to nothing new
And I won't listen to you
A new way to be
(let's get higher)
A new way to be
(take me higher)
'cause in the context of no context
Everywhere cool, there's nothing new
Yeah in the context of you
Everywhere cool, there's nothing new
Yeah in the context of no contest
Everywhere cool, there's nothing new
In the context of you
