When I see you looking at me  
I know that I can be strong, ooh  
Cos whenever you come my way  
I used to never know what to do

Bridge

I used to wish that someone would help me fight,  
Help me find my way  
But all I know now that your love  
Made me find my day, hey

Chorus

And now I know  
You shouldn't ask for forever boy  
Cos now I know  
It's right that we're together and now  
I think that I follow my dreams  
Since you, you came

And now you know how to guide me  
"Everyone's perfect" but that's all wrong  
And when you came my way  
I couldn't help but to be blown away, yeah yeah

Bridge

Chorus

Cos I was  
Lost but now I'm found  
My feet firmly on the ground  
Never knew what was inside  
Until, until yeah yeah yeah

Chorus until fade
