

Girls Against Boys "Get Down"

Visit "[Get Down](#)" on MotoLyrics.com

All sick and tired
What to do with yourself
All sick and tired
What to do with myself

Get down and get the swing
I'm just gonna wait right here
'til you come over here
Maybe next week
Maybe never
Get down and get the swing

Come on mover
Come on switchman
Come on shaker
Come on switchman baby

Get down cha-cha
Shake your thing

Don't send that playback
Cause I won't get it
I'm already gone
And don't lie to me
'cause I won't hear it
I'm already gone
