(Verse 1)

Your eyes

Tell me how you want me

I can feel it in your heartbeat

I know you like what you see

Hold me

I'll give you all that you need

Wrap your love around me

Your so excited, I can feel you getting hotter

Oh Baby...

I'll take you down, I'll Take You Down

Where no-ones ever gone before

And If you want more.. If you want more.... more..

more....

(Chorus)

Jump! (For my love)

Jump In (And Feel My Touch)

Jump (If you wanna taste my kisses in the night)

Yeh Jump, For my love

I know my heart can make you happy

You know these arms, they fill you up

Jump! (If you wanna taste my kisses in the night)

Yeh Jump, For my love

(Verse 2)

You told me

Im the only women for you

Nobody does it like i do

then make the move before you try and go much
furthur..

Oh baby....

you are the one, you are the one

And heaven waits around my door

And if you want more... if u want more.....more....more....

(Chorus)

When you are next to me

Oh, I Come alive
Your Love Burns Inside....
Oh it feels so right..
Come to me if you want me tonight

Jump

I know my heart can make you happy
You know these arms fill you up
Jump! (If you wanna taste my kisses in the night)
Yeh Jump! For my love...
