kill that noise
kill the noise
make it alright
kill the drummer
kill the bass player
kill both bass players
this song is so hip right now
I'm going deaf
I wanna kill the singer
kill the 3x bass expansion unit
kill the drummer
he can't play
yeah I wanna make it alright
kill my headache
kill the sugar
kill the honeybees way off time
strip it down
take it to the house
kill the singer

(One of us will will fall
there is no time)

Make it alright

kill the sexplayer
kill the saxplayer

make it, all right
