I break my bones out just to get back  
I break my head down just to get back  
Let me come back  
Crazy thing

I was wrong now ain't that right  
I was wrong don't make it right  
I was wrong  
But let me come back  
Crazy thing

Let me come back

Too much sound for God's sake  
Too much sound for God's sake  
Let me come back  
Crazy thing

I was wrong now ain't that right  
I was wrong don't make it right  
I was wrong  
Let me come back  
Crazy thing

Let me come back  
Well let me come back  
Let me come back

I ain't no sinner!

Just too tired to do it  
Too tired to try  
Too tired to make it  
Too tired to crack it  
Now I'm too tired to do it  
Too tired to try it

Let me come back  
Let me come back
