Ooh money money, your money honey  
So naughty naughty  
Give me that d-dinero  
Want your money honey, not your body buddy  
Want your money money  
(Pesos pounds and lira)

I'm burning, baby  
I'm electric  
Somebody made me  
Stay connected  
No doubt about it  
You're gonna get it  
Oh, ain't it crazy  
We got the best of it  
We're burning, baby  
It's so electric

Crack back, up against the table  
There, oh, careful with the label  
Ooh, that's a little tight now  
Watch out, someone turned the light out  
You say something about the paper  
And now 20 seconds later  
Oh, just broke another mirror  
And all before we go out to dinner  
Ooh... let's go!

Gettin deep deep deep and then I'm gonna  
Gettin deep deep deep and then I'm gonna  
Gettin beep you beep beep and then I'm gonna  
Jump on that man  
Gettin deep deep deep and then I'm gonna  
Gettin deep deep deep and then I'm gonna  
Gettin beep you beep beep and then I'm gonna  
Jump on that man

Ooh, love ya babe  
But I'll wait, turn the page  
Ooh, down below  
How was I supposed to know?

Ooh money money, your money honey  
So naughty naughty  
Give me that d-dinero  
Want your money honey, not your body buddy  
Want your money money  
Pesos pounds y lira!  
Ooh money money, your money honey  
So naughty naughty  
Give me that d-dinero  
Want your money honey, not your body buddy  
Want your money money  
Give me those fifty zero's

Crack back, up against the table  
There, oh, careful with the label  
Ooh, that's a little tight now  
Watch out, someone turned the light out  
You say something about the paper  
And now 20 seconds later  
Oh, just broke another mirror  
And all before we go out to dinner  
Ooh... let's go!

Gettin deep deep deep and then I'm gonna  
Gettin deep deep deep and then I'm gonna  
Gettin beep you beep beep and then I'm gonna  
Jump on that man  
Gettin deep deep deep and then I'm gonna  
Gettin deep deep deep and then I'm gonna  
Gettin beep you beep beep and then I'm gonna  
Jump on that man

Ooh, love ya babe  
But I'll wait, turn the page  
Ooh, down below  
How was I supposed to know?

Ooh money money, your money honey  
So naughty naughty  
Give me that d-dinero  
Want your money honey, not your body buddy  
Want your money money  
Ooh money money, your money honey  
So naughty naughty  
Give me that d-dinero  
Want your money honey, not your body buddy  
Want your money money

Took the light from off my heart  
Shook the street from off my shoe

Set emotions in his way  
Said 'Hey baby, be back soon'  
While the music held ya tight  
You didn't even see me cry

Dinero!
