Daddy told me, Look into the future,  
Sit at your computer, be a good girl  
And Mumma said Remember you're a lady  
Think before you play and straighten your curls

Well, everybody's talking like I'm crazy  
Dangerous and lazy, girl with no soul  
But I've seen it all from where I'm hiding  
Baby cos I'm slidin' out of control

(BRIDGE)

Here I go, on the road, crank the stereo  
I flick a finger to the world below, oh  
Here I am, dirty hands, I don't give a damn  
Shut your mouth because it's my show

(CHORUS)

I don't need no good advice, I'm already wasted  
I don't need some other life, cold and complicated  
I don't need no Sunday trips, tea and sympathising  
I don't need no special fix to anaesthetise me

Daddy always told me to remember  
Leave the boys to later, don't you drop down  
Mumma said I'd never get to heaven  
Hanging til eleven with the wrong crowd

Everybody's talking like I'm lonely  
Just another phoney girl who got played  
But I dig the music that I'm making  
Baby and I'll break it into your brain

(BRIDGE)

Here I go, on the road, crank the stereo  
I flick a finger to the world below, oh  
Here I am, dirty hands, I don't give a damn  
Shut your mouth, because it's my show

(CHORUS)

I don't need no good advice, I'm already wasted  
I don't need some other life, cold and complicated

I don't need no Sunday trips, tea and sympathising  
I don't need no special fix to anaesthetise me

(CHORUS)

I don't need no good advice, I'm already wasted  
I don't need some other life, cold and complicated  
I don't need no Sunday trips, tea and sympathising  
I don't need no special fix to anaesthetise me

I don't need no good advice  
No well intentioned sacrifice  
And I don't need no Sunday trips  
No chocolate box or speed for kicks  
Hell I don't need no beauty sleep  
No need to count those dirty sheep  
And I don't need no bedtime prayer  
Cos frankly I don't even care
