Well excuse me
But I'm
Just not on this right now
I'm just not on drugs right now

I just wanna know what you're like

I hope you don't have a good time
Whatever you do

It's just a hit love

Hey
I was smoking like a...
There's always some around
More cruising by and lay that sound
And it's always summer out
I could dream that
But I forget
Everything
Everytime

Who knows
You could turn out to be one of those
People who make a good situation
Out of something not so good
It's just a hit love

I just wanna know what you're like
Whatever you do from now on
I hope you don't have a good time
Whatever you do when I'm gone
I hope you don't have a good time

I forget
Everything
Everytime
I think about your skin

Taint your everything
Taint my everything
Taint my everything
