Make us worthy, make us proud  
Teach us not to be too loud  
We'll try and fit in with the crowd but we are st trinians

We can't fake the way we fell  
We were born to keep it real  
Hockey sticks and balls of steel  
We are st trinians

You bite us well bite you back  
Better be scared when we attack  
Feel the fear we're maniacs  
St trinians

Check out our battle cry  
A song to terrify  
No one can stand in our way

We are the best so screw the rest  
We do as we damn well please  
Until the end st trinians  
Defenders of anarchy

(Instrumental)

So scam all the tops, the neeks and the freaks, black  
leather goths the slappers and the geeks  
And if they complain we'll do it all again  
We do as we damn well please

As for the chavs the emos and their mates to torment  
the slags we offer special rates and if they complained  
we'll do it all again defenders of anarchy

(Small instrumental)

We are the best so screw the rest we do as we damn  
well please

Until the end st trinians  
Defenders of anarchy

(shouts)
