I just wanna do it to ya baby, watch me go
I wanna give you combinations
I could tell you but you already know (For sure)
I wanna feel that funky fever, baby I'm at the door
Got the keys, got the gasoline, pour it on, I'm ready to
blow

At quarter past one
I was having fun
Try'nna get it on
Try'nna make a move

Quarter past two
I was dressed in red
Tied up to your bed
Begged you on my knee

Quarter past three
I was in the shower
Almost half an hour
You were at the door

Quarter past four
You were back again
Said your name was Ben
Then we went for more

I just wanna do it to ya baby, watch me go
I wanna give you combinations
I could tell you but you already know (For sure)
I wanna feel that funky fever, baby I'm at the door
Got the keys, got the gasoline, pour it on, I'm ready to

Strippers and the beggers in the back
First man cracked, jump on the mainline track and
I'll take a little bit of pay ok, and the beat of the big
trombone, so

Ohh, ohh, ohh, ohh

I know what you're thinking you've been thinking bout
my butt
Bet you'd like to know what's got body feeling hot
