As I tried to say goodbye
You wouldn't let me
Kept holding me back
Now I see your face in the crowds
But it's never really you that I'm looking at
I've tried my luck calling night and day
And now I'm stuck
Coz everything you throw away
I'd hold my breath and walk through fire for you
I've tried my best, but all my letters will not do

Aye, aye, aye, I wanna tell you
Aye, aye, aye, My love is so true
Aye, aye, aye, You've got me holding on, yeah
Aye, aye, aye, What was I thinking?
Aye, aye, aye, I've started sinking
Aye, aye, aye, Told you time and time again I was
wrong

A hundred different ways I could say I'm sorry, oh
And every other day I try something new, oh
I'd write it out in blood if I thought you'd change but, oh
It's not enough for you

Remember how we laughed together
Said we'd be like this forever
I know so much has happened baby, oh
Why did I hurt you so
Remember how we stayed up dreaming
Of all the thing that we believed in
I know too much has happened baby, oh
And everyday I wonder why I let it go

Aye, aye, aye, I wanna tell you
Aye, aye, aye, My love is so true
Aye, aye, aye, You've got me holding on, yeah
Aye, aye, aye, What was I thinking?
Aye, aye, aye, I've started sinking
Aye, aye, aye, Told you time and time again I was
wrong

A hundred different ways I could say I'm sorry, oh

And every other day I try something new, oh
I'd write it out in blood if I thought you'd change but, oh
It's not enough for you

A hundred different ways I could say I'm sorry, oh
And every other day I try something new, oh
I'd write it out in blood if I thought you'd change but, oh
It's not enough for you
