Oh there's something that I want to say to you
And jumping in your face just wouldn't do
'Cause summer in the sun don't pay
And sure if crazy's what you feel
Then tell a soul, here's something on your plate
Still getting cold, well ain't that just a crying shame

It's hard having fun
When you can't see the sun anymore
Wasting my time out at sea
When you're following me to the door

It's hard having fun
When you can't see the sun anywhere
Wasting my time, out at sea
When you're following all the way

There's blackjacks running down my back
And I say, "Stop", 'cause I love you, baby
I fight hard and blue, with you
When I'm down and I say

There's blackjacks running down my back
And I say, "Stop", 'cause I love you, baby
I fight hard and blue, with you
'Cause you drive me crazy
New York nothing, come and get stuck in
Won't you come rocking, 'cause I gotta feel
When your beep-beeps get in
Crazy, don't sweat it
Honey, just forget it if you keep it real

Oh there's something that I want to say to you
And jumping in your face just wouldn't do
'Cause summer in the sun don't pay
And sure if crazy's what you feel
Then tell a soul, here's something on your plate
Still getting cold, well ain't that just a crying shame

There's blackjacks running down my back
And I say, "Stop", 'cause I love you, baby
I fight hard and blue, with you

When I'm down and I say

There's blackjacks running down my back
And I say, "Stop", 'cause I love you, baby
I fight hard and blue, with you
'Cause you drive me crazy

Teacher didn't you know
I'm getting into the boat
These boots are making me slow
Ain't you going too fast!
The future's selling the past
You keep on telling me so
