Don't blow your cover, honey  
Some things that men shouldn't see  
Lean on your sisters and me  
You can't go wrong

Don't show that sucker your soul  
You get his hands on your gold  
You won't know how much he stole  
Until he's gone

Don't blow your cover, honey  
Some things that men shouldn't see  
Lean on your sisters and me  
You can't go wrong

Don't show that sucker your soul  
You get his hands on your gold  
You won't know how much he stole  
Until he's gone

My sunshine  
Beat him up good for me  
Been a long journey, long car ride  
Chilling ain't good for me

My sunshine  
Beat him up good again  
Been a long journey, long car ride  
Chilling gives me the best

If you want to be I got some  
If you want to buy I don't pay  
If you want a feel of my fun  
'Cause if it's in my eyes I got game

If you want to be I got some  
If you want to buy I don't pay  
If you want a feel of my fun  
'Cause if it's in my eyes I got game

Don't blow your cover honey  
Some things that men shouldn't see

Lean on your sisters and me  
You can't go wrong

Don't show that sucker your soul  
You get his hands on your gold  
You won't know how much he stole  
Until he's gone

Girl, you're getting cheaper  
Sweep that dirt off the street  
Sexy seniorita makes your moves  
To the beat

Sure to meet your maker  
Letting freaks in your heart  
So let the, the music take you  
That's where you'll make a start

I need your do, do, do  
I can't hear what you say  
I need your do, do, do  
Say what

I need your do, do, do  
I can't hear what you say  
I need your do, do, do  
Say what

Don't blow your cover honey  
Some things that men shouldn't see  
Lean on your sisters and me  
You can't go wrong

Don't show that sucker your soul  
You get his hands on your gold  
You won't know how much he stole  
Until he's gone

Don't blow your cover honey  
Some things that men shouldn't see  
Lean on your sisters and me  
You can't go wrong

Don't show that sucker your soul  
You get his hands on your gold  
You won't know how much he stole  
Until he's gone

Go girl, girl you gotta go  
Go, go don't hold tight  
Tell me how to know

No, no

Go girl, girl you gotta go  
Go, go don't hold tight  
Tell me how to know  
No, no
