(We got some dancing to do)

I wanna be dancing  
Too cool for school  
When I'm alone I like to break the rules  
I wanna go faster  
Can't waste no time  
Let's get on down  
And let me blow your mind, so

Love me  
(Down love, boogie down love)  
Love me  
(Down love, boogie down love)  
Love me  
(Down love, boogie down love)  
I give you turning when you play with me baby  
Love me  
(Down love, boogie down love)  
Love me  
(Down love, boogie down love)  
Love me  
(Down love, boogie down love)  
Cos a girl's gotta do what a girl's gotta do

Set it off now  
And do your thing  
Bring me low  
And let the record spin  
So give me lovin'  
Till I explode  
Do the move  
Until I lose control

So clap your hands and sing this now

Cos you know where the party's at  
It's time to let your feelings show  
Ready, steady, come on let's go

Love me  
(Down love, boogie down love)

Love me  
(Down love, boogie down love)  
Love me  
(Down love, boogie down love)  
I give you turning when you play with me baby  
Love me  
(Down love, boogie down love)  
Love me  
(Down love, boogie down love)  
Love me  
(Down love, boogie down love)  
Cos a girl's gotta do what a girl's gotta do

I wanna go faster  
Can't waste no time  
I wanna go faster  
Let me blow your mind  
Love me  
I wanna go faster  
Love me  
Can't waste no time  
Love me  
I wanna go faster  
Love me  
Let me blow your mind
