A five inch bullet
A made up dream
Cuts right through it
You're watching me
You've left me in it
You've broke a deal
The fact I did it
Made me real

Let me guide you home
Where we can be alone
Let me dry your eyes
I will stay with you tonight

Oh! You're like a dog without a bone
Oh, hanging on my heels every night
Oh! It's like you got no-where to go
Oh, baby if its real coz this ain't right

Oh! You're like a dog without a bone
Oh, hanging on my heels for just one night
Tonight i'm dancing on my own
Oh, baby coz it feels like

A five inch bullet
Set to thrill
If I cant stop it
My sisters will
I give him nothing
To make you beg
But the blood keeps rushing

To your head

Let me guide you home
Where we can be alone
Let me dry your eyes
I will stay with you tonight

Oh! You're like a dog without a bone
Oh, hanging on my heels every night
Oh! It's like you got nowhere to go

Oh, baby if it's real coz this ain't right

You're like a dog without a bone
Oh, hanging on my heels for just one bite
Tonight i'm dancing on my own
Oh, baby coz it feels like...

You're like a dog without a bone
Oh, hanging on my heels every night
Its like you got nowhere to go
Oh, baby if its real coz this ain't right

You're like a dog without a bone
Oh, hanging on my heels for just one bite
Tonight I'm dancing on my own
Oh, baby coz it feels like
