I'm slipping down a slide,
I did enjoy the ride,
Don't know what to decide,
You lied to me,
You looked me in the eye,
It took me by surprise,
Now are you gratified?
You cried to me...

La la la la la laaaaaaa,

CHORUS:

Don't turn around,
I'm sick and I'm tired of your face,
Don't make this worse!
You've already gone and got me mad

BRIDGE:

It's too bad I'm not sad,
It's passed it over,
It's just one of those things,
You'll have to get over it!

When I was feeling down,
You'd start to hang around,
And then I'd feel your hands all over me,
Now that was out of bounds,
You filthy rotten hound,
It's badder than it sounds...believe me

La la la la la laaaaaaa

CHORUS:

Don't turn around,
I'm sick and I'm tired of your face,
Don't make this worse!
You've already gone and got me mad

BRIDGE:

It's too bad I'm not sad,
It's passed it over,

It's just one of those things,
You'll have to get over it!

Hey yeah...
You gotta get over,
Hey yeah...
You gotta get over it

BRIDGE:

It's too bad I'm not sad,
It's passed it over,
It's just one of those things,
You'll have to get over it!

CHORUS:

Don't turn around,
I'm sick and I'm tired of your face,
Don't make this worse!
You've already gone and got me mad
repeat 2x

BRIDGE:

It's too bad I'm not sad,
It's passed it over,
It's just one of those things,
You'll have to get over it!

You'll have to get over it...
