no doubt about it  
no doubt about it  
tumbled  
tumbled  
no doubt about it  
no doubt about it  
tumbled  
tumbled

you know me babe, I love the good living  
give me something I can stick'stick in  
you give the girl another hit, honey  
you keep me waiting and I'll keep running, now

can't turn around, just do one out  
is there any light on the way home  
somewhere along, I played it wrong  
fell into a world so far from home

girl overboard  
I thought I had it but I stumbled  
and I thought I'd last forever oh  
girl overboard  
I thought I had it but I tumbled  
And I fall no doubt about it oh

girl overboard  
I thought I had it but I stumbled  
and I thought I'd last forever oh  
girl overboard  
I thought I had it but I tumbled  
And I fall no doubt about it oh

You know me babe, I used to feel so lucky  
Until karma came a knock-knocking  
One little slip and I hit rock bottom  
Life is waiting but I'm not stopping' now

can't turn around, just do one out  
is there any light on the way home  
somewhere alone, I played it wrong  
fell into a world so far from home

girl overboard  
I thought I had it but I stumbled  
and I thought I'd last forever oh  
girl overboard  
I thought I had it but I tumbled

And I saw no doubt about it oh

girl overboard  
I thought I had it but I stumbled  
and I thought I'd last forever oh  
girl overboard  
I thought I had it but I tumbled  
And I saw no doubt about it oh

no doubt about it  
no doubt about it  
tumbled  
tumbled  
no doubt about it  
no doubt about it  
tumbled  
tumbled

can't turn around, just do one out  
is there any light on the way home  
somewhere alone, I played it wrong  
fell into a world so far from home

girl overboard  
I thought I had it but I stumbled  
and I thought I'd last forever oh  
girl overboard  
I thought I had it but I tumbled  
And I saw no doubt about it oh

girl overboard  
I thought I had it but I stumbled  
and I thought I'd last forever oh  
girl overboard  
I thought I had it but I tumbled  
And I saw no doubt about it oh

no doubt about it  
no doubt about it  
tumbled  
tumbled  
no doubt about it  
no doubt about it  
tumbled
