See them walking hand in hand
Across the bridge at midnight
Are so bright
Heads turning as the lights flashing out
And walk right out to the four line track
There's a camera rolling on her back
All the way down her spine
On her back
And I sense a rhythm humming in a frenzy
Girls on Film

Girls on Film
Girls on Film
Girls on Film

Lipstick cherry all over the lens as she's falling
And miles of sharp blue water coming in
Where she lies
The diving man's coming up for air
'Cause the crowd all love pulling Dolly by the hair
By the hair
And she wonders how she ever got here

As she goes under again
Girls on Film (Two minutes later)

Girls on Film
Girls on Film
Girls on Film (Got your picture)
Wider, baby, smile and you've just made a million

Take one last glimpse into the night
Fuses pumping live heat twisting out on a wire
I'm touching close
I'm holding bright, holding tight
Take me up til I'm shooting a star
Girls on Film (she's more than a lady)
Give me shudders in a whisper,
Girls on Film

Girls on Film (Two minutes later)
Girls on Film

Girls on Film

Girls on Film (see you together)

Girls on FilmGirls on Film (see you later)
