(Sarah)

I'm in the phone booth, it's the one across the hall
If you don't answer, I'll just ring it off the wall
I know he's there, but I just gotta call

(All)

Don't leave me hanging on the telephone
Don't leave me hanging on the telephone

(Kimberley)

I heard your mother, now she's going out the door
Did she go to work or just go to the store?
All those things she said, I told you to ignore

(Nicola)

Oh-oh, why can't we talk again
Oh-oh, why can't we talk again
Oh-oh, why can't we talk again

(All)

Don't leave me hanging on the telephone
Don't leave me hanging on the telephone

(Cheryl)

It's good to hear your voice, you know it's been so long
If I don't get your call, then everything goes wrong

I want to tell you something you've known all along

(All)

Don't leave me hanging on the telephone

(Nadine)

I had to interrupt and stop this conversation
Your voice across the line gives me a strange
sensation
I'd like to talk when I can show you my affection

(Nicola)

Oh-oh, I can't control myself
Oh-oh, I can't control myself
Oh-oh, I can't control myself

(All)

Don't leave me hanging on the telephone

Hang up and run to me

Oh, hang up and run to me

Oh, hang up and run to me

Oh, hang up and run to me

Oh, oo oh oo oh, hang up and run to me
