Where have all the good men gone and where are all
the gods?

Where's the streetwise Hercules to fight the rising
odds?

Isn't there a white knight upon a fiery steed?

Late at night I toss and I turn and I dream of what I
need

I need a hero

I'm holding out for a hero till the end of the night He's
gotta be strong and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero till the morning light

He's gotta be sure and he's gotta be soon

And he's gotta be larger than life

Larger than life

Somewhere after midnight

In my wildest fantasies

Somewhere just beyond my reach

There's someone reaching back for me

Racing on the thunder and rising with the heat

It's gonna take a Superman to sweep me off my feet

I need a hero

I'm holding out for a hero till the end of the night He's
gotta be strong and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero till the morning light

He's gotta be sure and he's gotta be soon

And he's gotta be larger than life

Larger than life

Up where the mountains meet the heavens above

Out where the lightning strikes the sea

I would swear that there's someone somewhere
watching me

Through the wind and the chill and the rain

and the storm and the flood

I can feel his approach like a fire in my blood

I need a hero

I'm holding out for a hero till the end of the night He's
gotta be strong and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero till the morning light

He's gotta be sure and he's gotta be soon

And he's gotta be larger than life

Larger than life
