I've wa-aited here underneath the covers all ni-ee-ight  
beside you  
And who could ever question any cryin' I do?  
My heavy heart is beating out of rhythm all ni-ee-ight  
inside me  
And I fall a little harder everytime that I do

Watch me living it up  
You totally  
Got me stuck in a rut  
You're made for me  
How'm I gonna step up  
And say to you  
I got the feeling, boy, I want you, want you

The conversation is tough  
Because you're totally  
Walking round all the stuff  
You wanna say to me  
Words are never enough  
Oh baby baby, you turn my dust to gold

I can't speak French so I let the funky music do the  
talking talking now  
Oh, I can't speak French so I let the funky music do the  
talking, oh oh oh  
I can't speak French so I let the funky music do the  
talking talking now  
Oh, I can't speak French so I let the funky music do the  
talking, oh oh oh

I gotta let you know  
I wanna give into my temptation  
And let my feelings show  
I gotta let you know-oh-oh-oh

I gotta let you know  
I wanna give into my temptation  
And let my feelings show  
I gotta let you know-oh-oh-oh

Ohhh, ooh!

I can't speak French so I let the funky music do the  
talking talking now  
Oh, I can't speak French so I let the funky music do the  
talking, oh oh oh  
I can't speak French so I let the funky music do the  
talking talking now  
Oh, I can't speak French so I let the funky music do the  
talking, oh oh oh

I can't speak French so I let the funky music do the  
talking talking now  
Oh, I can't speak French so I let the funky music do the  
talking, oh oh oh  
I can't speak French so I let the funky music do the  
talking talking now  
Oh, I can't speak French so I let the funky music do the  
talking, oh oh oh
