Your eyes, tell me how you want me
I can feel it in your heart beat
I know you like what you see

Hold me, I'll give you all that you need
Wrap your love around me
You're so excited, I can feel you
Getting hotter, oh baby

I'll take you down, I'll take you down
Where no one's ever gone before
And if you want more
If you want more, more, more

Then, jump for my love
Jump in and feel my touch
Jump, if you want to taste
My kisses in the night then
Jump, jump for my love

I know my heart
(I know my heart can make you happy)
(Can make you happy)

Jump in, you know these arms
(You know these arms can feel you up)
(Can feel you up)

Jump, if you want to taste
My kisses in the night then
Jump, jump, for my love

You told me, I'm the only woman for you
Nobody does you like I do
Then make a move before
You try and go much further, oh baby

You are the one, you are the one
And heaven waits here at my door
And if you want more,
If you want more, more, more

Then, jump for my love
Jump in and feel my touch
Jump, if you want to taste
My kisses in the night then
Jump, jump for my love

I know my heart
(I know my heart can make you happy)
(Can make you happy)

Jump in! you know these arms
(You know these arms can feel you)
(Can feel you up)

Jump, if you want to taste
My kisses in the night then
Jump, jump for my love

When you are next to me
(Ooo)
Oh, I come alive
(Yeah)

Your love burns inside
(Ooo)
Oh, it feels so right
(Hey)
Come to me if you want
Me tonight, jump

I know my heart
(I know my heart can make you happy)
(Can make you happy)

Jump in, you know these arms
(You know these arms can feel you up)
(Can feel you up)

Jump, if you want to taste my kisses
In the night then
Jump, jump, for my love
