What you are
What you see
It don't matter to me
It don't matter to me
What you know
What you need
It don't matter to me
Just be faithful to me

When you no-o-ot
Turning cold
When you're no-o-ot
Turning cold (turning cold, turning cold)

First I saw the letter
Heard your secret call
Tellin' you walk away
While away's turning cold
First I saw the letter
Heard your secret call
Tellin' you walk away
While away's turning cold
First I saw the letter
Heard your secret call
Tellin' you walk away
While away's turning cold
First I saw the letter
Heard your secret call
Tellin' you walk away
While away's turning cold

What you say
What you mean
It don't matter to me
It don't matter to me
What you want
What you dream
It don't matter to me
Just be faithful to me

When you no-o-ot
Turning cold

When you're no-o-ot
Turning cold (turning cold, turning cold)

First I saw the letter
Heard your secret call

Tellin' you walk away
While away's turning cold
First I saw the letter
Heard your secret call
Tellin' you walk away
While away's turning cold
First I saw the letter
Heard your secret call
Tellin' you walk away
While away's turning cold
First I saw the letter
Heard your secret call
Tellin' you walk away
While away's turning cold

Love is pain
Oh, oh, oh, oh
Love is pain
Oh, oh, oh, oh
You're insane
Oh, oh, oh, oh
Feel like I wipe you
Oh, oh, oh, oh
Love is pain
Oh, oh, oh, oh
Love is pain
Oh, oh, oh, oh
You're insane
Oh, oh, oh, oh
Feel like I wipe you
Oh, oh, oh, oh
Love is pain
Oh, oh, oh, oh
Love is pain
Oh, oh, oh, oh
You're insane
Oh, oh, oh, oh
Feel like I wipe you
Oh, oh, oh, oh
Love is pain
Oh, oh, oh, oh
Love is pain
Oh, oh, oh, oh
You're insane
Oh, oh, oh, oh

Feel like I wipe you
Oh, oh, oh, oh
Love is pain
Oh, oh, oh, oh
