Ladies you're damn right  
You can't read a man's mind  
We're living in two tribes  
And heading for war  
Nobody's perfect  
We all gotta work it  
But fellas, we worth it  
So don't break the law

Your call's late, big mistake  
You've gotta hang around and limbo for as long as I  
take  
Next time, read my mind  
And I'll be good to you  
We're gift-wrapped kitty kats  
we're only turning into tigers when we gotta fight back  
Let's go, Eskimo  
Out into the blue.....

Come take my hand  
Understand that you can  
Your my man and I need you tonight  
Come make me dreams  
Honey, hard as it seems  
Loving me is as easy as pie  
I.....

I'm just a love machine  
Feeding my fantasy  
Give me a kiss or three  
And I'm fine  
I need a squeeze a day  
Instead of this negligee  
What will the neighbours say  
This time

I've been going crazy while you sleep  
thinking for a language  
That the 2 of us can speak  
So, Mr. Prehistoric make your wheel  
And I'll breathe underwater  
Cause I like the way it feels

Your call's late, a big mistake  
You've gotta hang around and limbo for as long as I  
take  
Next time, read my mind  
And I'll be good to you  
We're gift-wrapped kitty kats

we're only turning into tigers when we gotta fight back  
Let's go, Eskimo  
Out into the blue.....

Come take my hand  
Understand that you can  
Your my man, and I need you tonight  
Come make me dreams  
Honey, hard as it seems  
Loving me is as easy as pie  
I.....

I'm just a love machine  
Feeding my fantasy  
Give me a kiss or three  
And I'm fine  
I need a squeeze a day  
Instead of this negligee  
What will the neighbours say  
This time

Oh, it very new  
Can anybody tell me what to do?  
Oh, this feeling's very strange  
Can anybody tell me what's your game?

Oh, A little education  
Oh, To give you motivation  
Oh, We'll turn the situation  
Oh, I don't wanna change ya  
Oh, Making you a stranger  
Oh, I'll only re-arrange ya  
For now

Oh, I'm just a Love Machine  
Oh, To give you motivation  
Oh, I'm just a Love Machine

Oh, I'm just a Love Machine  
Oh, To give you motivation  
Oh, I'm just a Love Machine  
(Oh, oh, oh)
