Girls girls girls girls girls girls  
Girls girls girls girls girls girls girls

Cos he loves the models  
And he hugs the models  
Goes to lunch with models  
Cos he's trying everyday and when he sleeps  
With models  
Dreams of models  
Wants to be a model  
Cos it's all he's got to say

Why don't you call?  
Got your number got your back on my wall  
So why don't you call me?

Nothing at all  
Rocks my hunger like a trip to the mall  
So why don't you call me?

Why don't you call?  
Why don't you call? Why don't you come around baby?  
Nothing at all  
You got my number and it's driving me crazy

Credit cards and lobster and crystal in rounds (first class)  
Back doors and bouncers only A list allowed (smart bars)  
All those faces in the places to be seen  
Darling we're in fashion, don't you know?

Cos he loves the models  
And he hugs the models  
Goes to lunch with models  
Cos he's trying everyday and when he sleeps  
With models  
Dreams of models  
Wants to be a model  
Cos it's all he's got to say

Girls girls girls girls girls girls

Girls girls girls girls girls girls  
Girls girls girls girls girls girls  
Girls girls girls girls girls girls

A girl's got face, fancy place  
Baby can I stick with you?  
A sheet's got head, head to feet  
Baby what am I to do?

A girl's got style, legs for miles  
Seen them walk all over you  
You get your kicks like flies to shit  
Buzzing round the model zoo  
Cos he loves the models  
And he hugs the models  
Goes to lunch with models  
Cos he's trying everyday and when he sleeps  
With models  
Dreams of models  
Wants to be a model  
Cos it's all he's got to say

Girls girls girls girls girls girls  
Girls girls girls girls girls girls  
Girls girls girls girls girls girls  
Girls girls girls girls girls girls

Where do you go?  
After dinner instead of walking me home  
Where do you go to?

Why don't you phone?  
Someone thinner's got you talking in code  
Does she mean you know me?

Why don't you call?  
Why don't you call? Why don't you come around baby?  
Nothing at all  
You got my number and it's driving me crazy

Cos he loves the models  
And he hugs the models  
Goes to lunch with models  
Cos he's trying everyday and when he sleeps  
With models  
Dreams of models  
Wants to be a model  
Cos it's all he's got to say

Cos he loves the models  
And he hugs the models

Goes to lunch with models  
Cos he's trying everyday and when he sleeps  
With models  
Dreams of models  
Wants to be a model  
Cos it's all he's got to say

Girls girls girls girls girls girls
