Ooh money money, your money honey
So naughty naughty
Give me that dirt dinero
Want your money honey, not your body buddy
Want your money money
(Pesos pounds and lira)
Mmmm burning, baby
I'm electric
Somebody made me
Stay connected
No doubt about it
You're gonna get it
Oh, ain't it crazy
We got the best ****
We're burning, baby
It's so electric
Crack back, up against the table
There, oh, careful with the label
Ooh, that's a little tight now
Watch out, someone turned the light out
You say something about weather

And now 20 seconds later

Oh, just broke another mirror

And all before we go out to dinner

Ooh... let's go!

Gettin deep deep deep and then I'm gonna

Gettin deep deep deep and then I'm gonna

Gonna beep you beep beep and then I'm gonna

Jump on that man

Gettin deep deep deep and then I'm gonna

Gettin deep deep deep and then I'm gonna

Gonna beep you beep beep and then I'm gonna

Jump on that man

Ooh, love ya babe

But outta the way, turn the page

Ooh, down below

How was I supposed to know?

Oooh money money

Your money money

So naughty naughty

Give me that dirt deniro

Want your money, honey

Not your body, buddy

Want your money money

Pesos, pounds, and lira

(more)

Money, money (more)

Money, honey (all your)

Money money

Give me that dirt deniro (more)

Money, honey (more)

Money money (all your)

Money Money

Give me my fifty zeros

Crack back, up against the table

There, oh, careful with the label

Ooh, that's a little tight now

Watch out, someone turned the light out

You say something about the weather

And now 20 seconds later

Oh, just broke another mirror

And all before we go out to dinner

Ooh... let's go!

Gettin deep deep deep and then I'm gonna

Gettin deep deep deep and then I'm gonna

Gonna beep you beep beep and then I'm gonna

Jump on that man

Gettin deep deep deep and then I'm gonna

Gettin deep deep deep and then I'm gonna

Gonna beep you beep beep and then I'm gonna

Jump on that man

Ooh, love ya babe

But outta the way, turn the page

Ooh, down below

How was I supposed to know?

Oooh money money

Your money money

So naughty naughty

Give me that dirt deniro

Want your money, honey

Not your body, buddy

Want your money money

Pesos, pounds, and lira

(more)

Money, money (more)

Money, honey (all your)

Money money

Give me that dirt deniro (more)

Money, honey (more)

Body, buddy (all your)

Money money

Took the light from off my heart

Shook the sweet from off my shoe

Set emotions in his way

Said maybe he'd be back soon

While the music held in time

You didn't even see me cry

Dinero!
