Shut your mouth because  
Shut your mouth because  
Your sh\*t might show X2

Flick a finger  
Oh  
To the world below  
Oh  
Here I am dirty hands  
I don't give a f\*\*k  
Shut your mouth because Oh might show

I don't even care X3

Daddy told me look into the future  
Sit at your computer, be a good girl  
Mama said remember you're a lady  
Think before you play and straighten your curls  
Well, everybody's talking like I'm crazy, dangerous, a  
lazy girl with no soul  
But I've seen it all from where I'm hiding  
Baby 'cos I'm sliding out of control

Here I go, off the road, crank the stereo  
I flick a finger to the world below  
Here I am, dirty hands, I don't give a f\*\*k,  
Shut your mouth because your sh\*t might show

I don't need no good advice  
I've already wasted  
I don't need some other life  
Cold and complicated  
I don't need no Sunday trips  
Tea and sympathising  
I don't need no special fix  
To anaesthetise me

Daddy always told me to remember, leave the boys 'til  
later  
Don't you drop down  
Mama said I'd never get to heaven  
Hanging 'till eleven with the wrong crowd

Everybody's talking like I'm only, just another phoney  
girl who got played  
But I dig the music that I'm making  
Baby and I'll break it into your brain

Here I go, off the road, crank the stereo  
I flick a finger to the world below  
Here I am, dirty hands, I don't give a f\*ck,  
Shut your mouth because your sh\*t might show

I don't need no good advice  
I've already wasted  
I don't need some other life  
Cold and complicated  
I don't need no Sunday trips  
Tea and sympathising  
I don't need no special fix  
To anaesthetise me  
[Repeat]

I don't need no good advice  
No well-intentioned sacrifice  
And I don't need no Sunday trips  
No chocolate box or speed for kicks  
Hell, I don't need no beauty sleep  
No need to count those dirty sheep  
And, I don't need no bedtime prayer  
Cos frankly I don't even care

Frankly I don't X3  
Care
