It's been seven hours and fifteen days
Since you took your love away
I go out every night and sleep all day
Since you took your love away

Since u been gone I can do whatever I want
I can see whomever I choose

I can eat my dinner in a fancy restaurant
But nothing, I said nothing can take away these blues
'Cause nothing compares, nothing compares to you

It's been so lonely without you here
Like a bird without a song
Nothing can stop these lonely tears from falling
Tell me baby where did I go wrong
I could put my arms around every boy I see
But they'd only remind me of you

I went to the doctor guess what he told me, guess what
he told me
He said girl you better have fun, no matter what you do
But he's a fool, 'cause nothing compares, nothing
compares to you

All the flowers that you planted mother, in the back
yard
All died when you went away
I know that living with you baby was sometimes hard
But I'm willing to give it another try
'Cause nothing compares, nothing compares to you
Nothing compares, nothing compares to you
Nothing compares, nothing compares to you
