I know this girl, she's not too bright  
But she's educated in bed alright  
She's made seduction a work of art  
A PhD with her legs apart

She's got dreamy eyes and little lips  
She's got undulating grundulating grinding hips  
She clicks her fingers, guys come to heal  
Chewed up, spat out, no big deal

Racey Lacey, boudoir beauty  
It's all that she can do  
A connoisseur of satin sheets  
A red head through and through

Racey Lacey, boudoir beauty  
The lifestyle suits her fine  
The girl ain't back but in coming forward  
She's got this crazy line

And so this girl, I've heard it said  
Can spend up to twenty four hours in bed  
She gets her suiters to wait in line  
And she's worn them out by half past nine

*[WITH KIM]* She's got dreamy eyes and little lips  
She's got undulating grundulating grinding hips

She clicks her fingers, guys come to heal  
Chewed up, spat out, no big deal

Racey Lacey, boudoir beauty
