Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Hey, hey, hey, oh, oh, oh  
Hey, hey, hey, oh, oh, oh  
Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Hey, hey, hey, oh, oh, oh  
Hey, hey, hey, oh, oh, oh

I really wanna  
But then again I guess I just don't know  
I'm needing me an answer  
Been waiting all night  
I never gaitor  
Oh won't you tell me which way to go  
I catch you got the feeling  
I got to hold the tight

Revolution in the head don't count for nothing  
You gotta, you gotta move that ass  
Revolution in the head don't count for nothing  
You gotta, you gotta beat the past  
Revolution in the head don't count for nothing boy  
You gotta move the mass  
Revolution in the head don't count for nothing  
You gotta, you gotta move that ass

Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Hey, hey, hey, oh, oh, oh  
Hey, hey, hey, oh, oh, oh

Better late than never  
What's the devil gonna do with your life?  
Better late than never  
Cause wherever is a hell of a long time

You see, never get the treasure  
Man of leisure if you go with the tide  
And if the never never's  
With their doing is we're doing it right

I really wanna  
But then again I feel I'm feeling cold  
You're telling me manana  
Let's call it a night  
It's too easy  
To turn the TV on and stay at home  
We always got tomorrow  
To make it alright

Revolution in the head don't count for nothing  
You gotta, you gotta move that ass  
Revolution in the head don't count for nothing  
You gotta, you gotta beat the past  
Revolution in the head don't count for nothing boy  
You gotta move the mass  
Revolution in the head don't count for nothing  
You gotta, you gotta move that ass

Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Hey, hey, hey, oh, oh, oh  
Hey, hey, hey, oh, oh, oh

Oh, kids don't fight it  
You gotta keep on shining  
You ain't no sidekick  
Get your bike and ride it (ooooh)  
Keep on climbing  
Reach the top and sign it  
Life goes by quick  
So don't you let that time slip

Revolution in the head don't count for nothing  
You gotta, you gotta move that ass  
Revolution in the head don't count for nothing  
You gotta, you gotta beat the past  
Revolution in the head don't count for nothing boy  
You gotta move the mass  
Revolution in the head don't count for nothing  
You gotta, you gotta move that ass

Revolution in the head don't count for nothing  
You gotta, you gotta move that ass  
Revolution in the head don't count for nothing

You gotta, you gotta beat the past  
Revolution in the head don't count for nothing boy  
You gotta move the mass  
Revolution in the head don't count for nothing  
You gotta, you gotta move that ass
