I always admitted pity
Cause I was getting lonely
Oh oh I was lonely
Ah-Baby without you

I always admitted pity
Needed you to hold me
Oh boy you should've known me
I didn't know how to

Gone are the days of magic
Those times were cool
I tried to make love not hate
What was I to do

Oh, The Police were playing
And we danced all night
We were kissing till dark turned to light

Ah-Ooh, rolling back the rivers in time
Can't wait, got to see his face somewhere
Ah-Ooh, holding back the minutes gone by
Someday, got to see his face oh yeah

Theres a feeling in my soul that sets my heart alight
I tell ya, theres a feeling in my soul that tells me you're
all mine

There's an arrow in my heart, just hit a seventeen
I tell ya, theres a shadow in my heart that tells of what
could've been

Ah-Ooh, rolling back the rivers in time
Can't wait, got to see his face somewhere
Ah-Ooh, holding back the minutes gone by
Someday, got to see his face oh yeah

Doesn't really matter, I felt nothing better at all (Hoo
Hoo)
Sending him a letter, I know I won't regret it at all (Hoo
Hoo)
Doesn't really matter, a miracle can happen for sure

(Hoo Hoo)

I ran away forever, baby never had it at all

Ah-Ooh, rolling back the rivers in time
Can't wait, got to see his face somewhere
Ah-Ooh, holding back the minutes gone by
Someday, got to see his face oh yeah

Ah-Ooh, rolling back the rivers in time
Can't wait, got to see his face somewhere
Ah-Ooh, holding back the minutes gone by
Someday, got to see his face oh yeah
