Well.....

You know ya make me wanna shout
Look my hands jumpin'
Look my heart's bumpin'
Throw my head back
Come on now.

Don't forget to say you will
Yeah, Don't forget to shout
Yeah, yeah, yeah, yeah, yeah

Say you will, (throw your head back baby)
Say you will, (Come on , come on)
Say you will, (throw your head back)
Whooo
Say you will, (Come on now)

(Say) Say that you love me.
(Say) Say that you'll need me
(Say) Say that you'll want me.
(Say) Ain't Gonna leave me.

(Say) oh come now
(Say) oh come now
(Say) oh come now
(Say) oh come now

I still remember
When was only nine years old.
Yeah, yeah now
How I was in love for you,
From the bottom of my soul.
Yeah, yeah now
Now that is old enough,
Enough to know,
You wanna meet me,
You wanna love me so.

I want you to know
I said I want you to know right now
You have been good to me baby
Better than i've been to myself

Yeah, yeah
And if you ever leave me.
I don't want nobody else
Yeah, yeah
Because I want you to know
I want you to know right now.

You know you make me wanna shout
Whoo shout
Whoo shout
Whoo shout
Whoo shout
All right all right all right
Take it easy take it easy take it easy
All right all right all right

Hey hey hey hey (Hey hey hey hey)
Hey hey hey hey (Hey hey hey hey)
Hey hey hey hey (Hey hey hey hey)
Hey hey hey hey (Hey hey hey hey)

Shout now. Jump up and shout now, Everybody shout
now, Everybody shout now
Everybody shout, shout, shout, shout, shout, shout,
shout

Well I feel alright...
