I've got to heat it up
Doctor, got to heat it up
I've got till 3 o'clock
I've got to rock until you drop
[Repeat]

Till you drop...something..ahh

Something kinda ooh,
Jumping on my tutu
Something 'side of me,
Wants some part of you oo-oo

Something kinda ooh,
Makes my heart go boom boom
Something 'side of me,
Wanting what you do oo-oo

Something kinda ooh,
Jumping on my tutu
Something 'side of me,
Wants some part of you oo-oo

Something kinda ooh,
Bumping in the back room,
Something 'side of me,
Wanting what you do oo-oo

Ooh, when tomorrow comes
Baby I won't even know your name
Baby so good
Want to follow on by
But I'll never meet you
Never see you again

If you wanna put a line on me, now no
Wait till the band gonna play real slow
If you want your hands on me
I'm digging you up

Can't dance - no pain, no gain, no show
Jump to the beat all night don't roll

If you wanna handle me
You got to keep up

Something kinda ooh,
Jumping on my tutu
Something 'side of me,
Wants some part of you oo-oooh

Something kinda ooh,
Makes my heart go boom boom
Something 'side of me,
Wanting what you do oo-oooh

Something kinda ooh,
Jumping on my tutu
Something 'side of me,
Wants some part of you oo-oooh

Something kinda ooh,
Bumping in the back room,
Something 'side of me,
Wanting what you do oo-oooh

I've got to heat it up
Doctor, got to heat it up
I've got till 3 o'clock
I've got to rock until you drop
[Repeat]

Oh boy, I can't tell you how sad I feel
And tonight, is just another kink in your steel
(Oh yeah)

Shoulda known where the man was at
Shoulda known he was coming to make me
I shoulda recognised the plan of attack
When he turned and he called me Baby

Shoulda known where the man was at
Shoulda known he was coming to make me
Shoulda come with a party map
So I know where the night would take me

Take me...something...(take me)...

Something kinda ooh,
Jumping on my tutu
Something 'side of me,
Wants some part of you oo-oooh

Something kinda ooh,

Makes my heart go boom boom
Something 'side of me,
Wanting what you do oo-oo

Something kinda ooh,
Jumping on my tutu
Something 'side of me,
Wants some part of you oo-oo

Something kinda ooh,
Bumping in the back room,
Something 'side of me,
Wanting what you do oo-oo

Oo-oo
Oo-oo
(Oh yeah)
