I've got to heat it up
Doctor, got to heat it up
I've got till 3 o'clock
I've got to rock until you drop

Till you drop, something, ahh

Something kinda, ooooh
Jumping on my toot, toot
Something 'side of me
Wants some part of you, ooooh

Something kinda, ooooh
Makes my heart go boom, boom
Something 'side of me
Wanting what you do, ooooh

Something kinda, ooooh
Jumping on my toot, toot
Something 'side of me,
Wants some part of you, ooooh

Something kinda, ooooh
Bumping in the back room
Something 'side of me
Wanting what you do, ooooh

Ooh, when tomorrow comes
Baby, I won't even know your name
Baby, so good want to follow on by
But I'll never meet you, never see you again

If you wanna [unverified] line on me, now no
Wait till the band gonna play real slow
If you want your hands on me
I'm digging you up

Can't dance, no pain, no gain, no show
Jump to the beat all night don't roll
If you wanna handle me
You got to keep up

Something kinda, ooooh
Jumping on my toot, toot
Something 'side of me
Wants some part of you, ooooh

Something kinda, ooooh
Makes my heart go boom, boom
Something 'side of me
Wanting what you do, ooooh

Something kinda, ooooh
Jumping on my toot, toot
Something 'side of me
Wants some part of you, ooooh

Something kinda, ooooh
Bumping in the back room
Something 'side of me
Wanting what you do, ooooh

I've got to heat it up
Doctor, got to heat it up
I've got till 3 o'clock
I've got to rock until you drop

I've got to heat it up
Doctor, got to heat it up
I've got till 3 o'clock
I've got to rock until you drop

Oh boy, I can't tell you how sad I feel
And tonight, is just another kink in your steel
(Oh, yeah)

Shoulda known where the man was at
Shoulda known he was coming to make me
I shoulda recognized the plan of attack
When he turned and he called me, baby

Shoulda known where the man was at
Shoulda known he was coming to make me
Shoulda come with a party rap
So I know where the night would take me

Take me, something
(Take me)

Something kinda, ooooh
Jumping on my toot, toot
Something 'side of me
Wants some part of you, ooooh

Something kinda, ooooh
Makes my heart go boom, boom
Something 'side of me
Wanting what you do, ooooh

Something kinda, ooooh
Jumping on my toot, toot
Something 'side of me
Wants some part of you, ooooh

Something kinda, ooooh
Makes my heart go boom, boom
Something 'side of me
Wanting what you do, ooooh
