I've got to heat it up  
Doctor, got to heat it up  
I've got till 3 o'clock  
I've got to rock until you drop

Till you drop, something, ahh

Something kinda, ooooh  
Jumping on my toot, toot  
Something 'side of me  
Wants some part of you, ooooh

Something kinda, ooooh  
Makes my heart go boom, boom  
Something 'side of me  
Wanting what you do, ooooh

Something kinda, ooooh  
Jumping on my toot, toot  
Something 'side of me,  
Wants some part of you, ooooh

Something kinda, ooooh  
Bumping in the back room  
Something 'side of me  
Wanting what you do, ooooh

Ooh, when tomorrow comes  
Baby, I won't even know your name  
Baby, so good want to follow on by  
But I'll never meet you, never see you again

If you wanna [unverified] line on me, now no  
Wait till the band gonna play real slow  
If you want your hands on me  
I'm digging you up

Can't dance, no pain, no gain, no show  
Jump to the beat all night don't roll  
If you wanna handle me  
You got to keep up

Something kinda, ooooh  
Jumping on my toot, toot  
Something 'side of me  
Wants some part of you, ooooh

Something kinda, ooooh  
Makes my heart go boom, boom  
Something 'side of me  
Wanting what you do, ooooh

Something kinda, ooooh  
Jumping on my toot, toot  
Something 'side of me  
Wants some part of you, ooooh

Something kinda, ooooh  
Bumping in the back room  
Something 'side of me  
Wanting what you do, ooooh

I've got to heat it up  
Doctor, got to heat it up  
I've got till 3 o'clock  
I've got to rock until you drop

I've got to heat it up  
Doctor, got to heat it up  
I've got till 3 o'clock  
I've got to rock until you drop

Oh boy, I can't tell you how sad I feel  
And tonight, is just another kink in your steel  
(Oh, yeah)

Shoulda known where the man was at  
Shoulda known he was coming to make me  
I shoulda recognized the plan of attack  
When he turned and he called me, baby

Shoulda known where the man was at  
Shoulda known he was coming to make me  
Shoulda come with a party rap  
So I know where the night would take me

Take me, something  
(Take me)

Something kinda, ooooh  
Jumping on my toot, toot  
Something 'side of me  
Wants some part of you, ooooh

Something kinda, ooooh  
Makes my heart go boom, boom  
Something 'side of me  
Wanting what you do, ooooh

Something kinda, ooooh  
Jumping on my toot, toot  
Something 'side of me  
Wants some part of you, ooooh

Something kinda, ooooh  
Makes my heart go boom, boom  
Something 'side of me  
Wanting what you do, ooooh
