Go girls, g-g-go, go, go
We girls gonna take control
You boys better know, know, know
We girls gonna run this show

Go girls, g-g-go, go, go
We girls gonna take control, no no
We girls gonna run this, run this

We girls gonna run this, run this
We girls gonna run this, run this
We girls gonna run this, run this
We girls gonna run this, run this

All I want is something new
Something I can hold onto
I don't wanna talk, I just wanna dance
Baby, let it drop, catch me if you can

We girls gonna run this, run this

Down with the rhythm on another beat
Gotta take that back what you said to me
Never giving in when the sun's so high
Gotta feel that heat when you call, say bye

Down with the rhythm on another street
Gotta let this go 'cause I feel so free
Never giving in 'cause I need you here, ah ah

Go girls, g-g-go, go, go
We girls gonna take control
You boys better know, know, know
We girls gonna run this show

Go girls, g-g-go, go, go
We girls gonna take control
You boys better know, know, know
We girls gonna run this, run this

All I want is something new
Something I can hold onto

I don't wanna talk, I just wanna dance
Baby, let it drop, catch me if you can
'Cause we're the leaders of the pack

Take a walk on the wild side of life, life
Take a walk on the wild side of life, life
Bring it back to the other side

Feel the beat deep underground
Boy, tonight it's getting loud
We can go, go anywhere
We don't care, let me take it higher

We can do, do anything
Play the game and maybe you'll win
Boy, tonight you can't hold me back
Do what I want, yeah, I like it like that

We girls gonna run this show

All I want is something new
Something I can hold onto
I don't wanna talk, I just wanna dance
Baby, let it drop, catch me if you can

All I want is something new
Something I can hold onto
I don't wanna talk, I just wanna dance
Baby, let it drop, catch me if you can

'Cause we're the leaders of the pack
Boy, you better watch your back
We're the leaders of the pack
Tell me, can you handle that?

We're the leaders of the pack
Boy, you better watch your back
We're the leaders of the pack
Tell me, can you handle that?

'Cause we're the leaders of the pack
Boy, you better watch your back
We're the leaders of the pack
Tell me, can you handle that?

We're the leaders of the pack
Boy, you better watch your back
We're the leaders of the pack
Tell me, can you handle that?
We're the leaders of the pack
