Disco dancing with the lights down low

Beats are pumping on the stereo

Neighbours banging on the bathroom wall

Your sayin' crank the bass

I gotta get some more

Waters runnin' in the wrong direction

Got a feelin' its a mixed up sign

I can see it in my own reflection

Summit funnies goin' on inside my mind

Don't know what its pushin' me higher

Its the static from the floor below

Then its drops and catches like a fire

Its a sound I, Its a sound I know

It's the sound of the underground

The beat of the drum goes round and round

In to the overflow

Where the girls get down to the sound of the radio

Out to the electric night

Where the bass line jumps in the backstreet lights

The beat goes around and round

Its the sound of the under

Sound of the underground
Chain reaction running through my veins
Pumps the bass line up into my brain
Screws my mind until I lose control
And when the building rocks I know Its got my soul
Waters runnin' in the wrong direction
Got a feelin' its a mixed up sign
I can see it in my own reflection
Summit funnies goin' on inside my mind
Don't know what its pushin' me higher
Its the static from the floor below
Then its drops and catches like a fire
Its a sound I, Its a sound I know
It's the sound of the underground
The beat of the drum goes round and round
In to the overflow
Where the girls get down to the sound of the radio
Out to the electric night
Where the bass line jumps in the backstreet lights
The beat goes around and round
Its the sound of the under
Sound of the underground
I don't know what it's pushin' me higher
It's the static from the floor below
And then it drops and catches like fire
Its a sound I, Its a sound I

Its a sound I, Its a sound I know
It's the sound of the underground
The beat of the drum goes round and round
In to the overflow
Where the girls get down to the sound of the radio
Out to the electric night
Where the bass line jumps in the backstreet lights
The beat goes around and round
Its the sound of the under
Sound of the underground
The bass line jumps in the backstreet light
It's the sound of the under
Sound of the underground
The bass line jumps in the backstreet light
It's the sound of the under
Sound of the underground
