You gotta
Op, op, op, op, open the door
Open the door to our love

Yesterday I was sitting listening to you
You were saying what you wanted to do
I was thinking 'Do I like him or not?'
I got my decisions tied up in knots
Yesterday you were sitting listening to me
I was right there, telling you who I wanna be
It was like you didn't know what to do
But I know that I wanna be with you, you, you, you, you,
you, you, you

You gotta
Op, op, op, op, open the door
Open the door to our love
Open the door to our love [with Nadine]
Op, op, op, op, open the door
Op, op, op, op, open the door
Op, op, op, op, open the door
Open the door to our love

Love is a funny thing
That's why I got this song to sing
My hearts in a funny place
But I know you got a lovely face
Love is a funny thing
That's why I got this song to sing
My hearts in a funny place
But I know you got a lovely face [Nicola & Nadine]

You gotta
Op, op, op, op, open the door
Open the door to our love
Open the door to our love [with Nadine]
Op, op, op, op, open the door
Op, op, op, op, open the door
Op, op, op, op, open the door
Open the door to our love
