If it's not you, on no, I won't do that
You'll have to wait for me, and that is that

Shoulda known
Shoulda cared
Shoulda hung around the kitchen in my under-wear
Fucking like a lady
You shoulda made me
Ooh
Shoulda jumped a little higher
Shoulda fluttered my mascara life like a butterfly
Instead of being lazy
It woulda saved me

Shoulda known
Shoulda cared
Shoulda hung around the kitchen in my under-wear
Fucking like a lady
You shoulda made me
Ooh
Shoulda jumped a little higher
Shoulda fluttered my mascara life like a butterfly
Instead of being lazy
It woulda saved me

Someone saved this shit today
Will someone turned the light fucking on?
'Cause ever since you went away
The other rushes feel so wrong

That special something
They're fucking hunting
They're always wanting
More and more

That special something
they're fucking hunting
They're always wanting
More and more

Nobody sees the show
Not 'til my shit says so

If it's not you, oh no
I won't do that
But if you want to be my speciality
You'll have to wait for me and that is that

I won't, unless you want me (to)
I want, (you) get in the queue

I won't wank you, unless you want me (to)
I want, (you) get in the queue

That special something
They're fucking hunting
They're always wanting
More and more

That special something

That they are fucking hunting
They're always wanting
More and more

Nobody sees the show
Not 'til my shit says so
If it's not you, oh no
I won't do that
But if you want to be, my speciality
You'll have to wait for me and that is that

Nobody sees the show
Not 'til my shit says so
If it's not you, oh no
I won't do that
But if you want to be, my speciality
You'll have to wait for me and that is that

Shoulda made me now
Gotta save me now
Shoulda made me now
Gotta save me now

Shoulda known
Shoulda cared
Shoulda hung around the kitchen in my under-wear
Fucking like a lady
You shoulda made me

Shoulda jumped a little higher
Shoulda fluttered my mascara like a butterfly
Instead of being lazy
It would have saved me

Shoulda known
Shoulda cared
Shoulda hung around the kitchen in my under-wear
Fucking like a lady
(Shoulda made me now)
You shoulda made me
(gotta save me now)
Ooh
Shoulda jumped a little higher
Shoulda fluttered my mascara life like a butterfly
Instead of being lazy
(Shoulda made me now)
It woulda saved me
(gotta save me now)

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Fade
