All day I lie in my bed and
visions and thoughts of
you are in my head
I never thought I could be
crying over you

Somewhere in my mind
I'll find a reason why I
Fell in love with you
Why, oh why
Did I fall into your trap of
Love, hatred and pain

Now I know what love
can do to you I
Don't think I'll ever fall in love again
There's no turning back
once you're crushed

Somewhere in my mind
I'll find a reason why I
Fell in love with you
Why, oh why did I fall
into your trap of
Love, hatred and pain

Ooooooooooh,
I don't know if you feel the
same about me; please let me know
Ooooooooooh,
'Coz there's something in my heart
that still burns for you
I don't know why
Please tell me who

Somewhere in my mind
I'll find a reason why I
Fell in love with you
Why, oh why did I
fall into your trap of
Love, hatred and pain
