Disco with the lights down low  
Beats are pumping on the stereo  
Neighbours banging on the bathroom wall  
Your sayin' crank the bass  
I gotta get some more

Waters runnin' in the wrong direction  
Got a feelin' its a mixed up sign  
I can see it in my own reflection  
Something funnies goin' on inside  
Don't know what is pushin' me higher  
Its the static from the floor below  
Then its drops and catches like a fire  
Its a sound I, Its a sound I know

It's the sound of the underground  
The beat of the drum goes round and around  
In to the overflow  
Where the girls get down to the sound of the radio  
Out to the electric night  
Where the bass line jumps in the backstreet lights  
The beat goes around and round  
Its the sound of the under  
Sound of the underground

Chain reaction running through my veins  
Pumps the bass line up into my brains  
Screw with my mind I'm gonna lose control  
And when the building rocks I know Its got my soul

Waters runnin' in the wrong direction  
Got a feelin' its a mixed up sign  
I can see it in my own reflection  
Something funnies goin' on inside my mind  
Don't know what its pushin' me higher  
Its the static from the floor below  
Then its drops and catches like a fire  
Its a sound I, Its a sound I know

It's the sound of the underground  
The beat of the drum goes round and around

In to the overflow  
Where the girls get down to the sound of the radio  
Out to the electric night  
Where the bass line jumps in the backstreet lights  
The beat goes around and round  
Its the sound of the under  
Sound of the underground

I don't know what it's pushin' me high
