Walk this way, you wanna talk this way
Walk this way, you wanna talk this way
Walk this way, you wanna talk this way
Walk this way, you wanna talk this way

Backstroke lover, hiding undercover
Still I talk till your daddy he say
You ain't seen nothing
Till you're down on her muffin
And i'm sure i can change your ways.

Then I met a cheerleader
Was a real young pleaser
All the times I can reminisce
The best thing loving
Was her brother and her cousin
And it started with a little kiss, like this.

[Chorus]

Walk this way, talk this way
Walk this way, talk this way
Walk this way, talk this way
Walk this way, talk this way

Like like like this, like this
Like this, like this, like this

School-girl Heidi with a classy kinda sassy,
Little skirt climbing way up her knees.
Three young ladies in the school gym locker
I noticed they was looking at me.
I was a high school loser, never made it with a fella
Till my girls told me something I missed.
My next door neighbour with a son had a favor
So I gave him just a little kiss
Like this

Walk this way, you wanna talk this way
Walk this way, you wanna talk this way

[Chorus]

Walk this way, (walk this way), talk this way (talk this way)
Walk this way, (walk this way), talk this way (talk this way)
Walk this way, (walk this way), talk this way (talk this way)
Walk this way, (walk this way), talk this way (talk this way)

Just give me a kiss

(LIKE THIS)

Seesaw swinging with the boys in the school
And her feet flying up in the air,
Singing "Hey diddle diddle"
With the kitty in the middle
You'll be swinging like you just don't care.
So I took a big chance at the high school dance
With a boy who was ready to play,
Was it me he was fooling
'coz he knew what he was doing
When he told me how to walk this way.
