(Jessica)  
Oh, whoa  
You're just a...

(Tiffany)  
You only wear cologne that comes in the sample size  
You rock such Rollex but I know you bought it  
From some guy on this street  
Who also sells fake IDs  
Can't trick me  
I've seen it all before, you see

(Seohyun)  
You're driving around, got your rounded rims  
You got the hook-up from your girl  
Who's regional manager on weekdays  
She gave it to you for one night for free  
Don't you wish you drove it in real life

(Sooyoung)  
You want to make Trump kind of money  
But you're really just a 26 year old chump living with  
your mommy

(Chorus)  
You, you see what you want to see, but all I see is that  
You're just a cheap creeper  
Freaky eyes, how to hide the truth I see is that  
You're just a cheap creeper

(Sunny)  
Cheap, cheap, cheap creeper  
Cheap, cheap, cheap creeper  
Cheap, cheap, cheap creeper

(Jessica)  
I see you sitting in the corner trying to act tough  
Behind your dark sunglasses watching everyone move  
I'm making, can almost feel your hands on me  
So sit back, the way you try to creep creep

(Yoona)

You acting like a Justin Timberlake

But you're just a fakeout living with your mommy
