English Lyrics  
Girls' generation  
Let's dance  
Hit the beat and take it to the fast line

[Taeyeon] When I first saw you on the stage  
Time around me all froze  
Leaving only my heart pounding

[Yoona] It's you who changed my ordinary life  
You are my dancing queen

[Tiffany] It's you who woke me up in my boring daily

life  
Party all night long

Your dancing that captivated my heart  
That elegant performance  
Your powerful style  
Your sexiness that makes me dizzy

[Seohyun] As If I'm suffocating yeah yeah

[Jessica] After some time, I'm on the stage  
Dancing and singing like you  
It seems like a dream, really

[Sunny] It's you who changed my ordinary life  
You are my dancing queen

[Yuri] It's you who woke me up in my boring daily life  
A dream all night long

Your dancing that captivated my heart  
That elegant performance  
Your powerful style  
Your sexiness that makes me dizzy

[Jessica] Leaving my body to the rhythm yeah yeah  
[Yuri] You are my dancing queen  
[Sunny] No matter what happens, forever  
[Hyoyeon] The star in my heart

[Taeyeon] You are my hero  
You are my hero you are my hero

Dancing, That elegant dancing  
Your powerful style  
Your sexiness that makes me dizzy

[Tiffany] Leaving my body to the rhythm Yeah yeah

Your dancing that captivated me  
That elegant performance  
Your powerful style  
Your sexiness that makes me dizzy

[Taeyeon] As if you are driving me out of breath yeah

Bring it on  
Bring it on

Party, Dancing party that makes young people excited  
Everyone partying together

Dancing party that makes young people excited
