[Tiffany] When the snow begins to fly, above the  
smoky, smoky sky, you came  
Along like a snowflake, and brightened up my day  
[Taeyeon] There is just one thing I need on this snowy  
winter day  
Call me a fool to love you, but I want nothing but you  
[Sooyoung] Oh, I have to hear your voice, the one that  
brings me joy  
[Seohyun] And your warmth slowly wraps around my  
heart  
Boy, can't you see?

[ALL] The lights are shining on me, and it's like a  
diamond  
I'm spinning around, rocking around like a diamond

[Yuri] That's because I'm filled with emotions  
[ Lyrics ]  
[Jessica] Everybody's waiting for the holidays  
Candies and toys of silver trays  
And there is one thing special... Boy, you are my  
present  
[Sunny] There is just one thing I need on this snowy  
winter day  
Call me a fool to love you, but I want nothing but you  
[Yoona] Oh, I have to hear your voice, the one that  
brings me joy  
[Yuri] And your warmth slowly wraps around my heart...  
Boy, can't you see?

[ALL] The lights are shining on me, and it's like a  
diamond  
I'm spinning around, rocking around like a diamond

[Hyoyeon] That's because I'm filled with emotions  
[Sunny] That's because I'm filled with emotions

[Seohyun] You're shining, you're gleaming  
Oh, you melt me like white snow, oh  
[Tiffany] You're shining, you're gleaming  
[Taeyeon] And your warmth slowly wraps around my

heart  
Boy, can't you see

[ALL] The lights are shining on me, and it's like a  
diamond  
I'm spinning around, rocking around like diamonds

[Jessica] To your heart

[ALL] The lights are shining on me, and it's like a  
diamond  
I'm spinning around, rocking around like a diamond

[Jessica] That's because I'm filled with emotions  
[Tiffany] That's because I'm filled with emotions
