"Over The Rainbow"

[Taeyeon] Somewhere over the rainbow, way up high
There's a land, that I heard of once in a lullaby

[Sunny] Somewhere over the rainbow, skies are blue
And the dreams that you dare to dream, really do
come true

[Seohyun] Someday I'll wish upon a star
And wake up where the clouds are far behind me

[Jessica] Where troubles melt like lemon drops
Away above the chimney tops, that's where you'll find
me

[Taeyeon] Somewhere over the rainbow, bluebirds fly
Birds fly over the rainbow, why then why can't I

[Seohyun] Somewhere over the rainbow, bluebirds fly
Birds fly over the rainbow, why then why can't I
