[Girls' Generation]

I can tell you're looking at me, I know what you see  
Any closer and you'll feel the heat (GG)  
You don't have to pretend that you didn't notice me  
Every look will make it hard to breathe (T.R.X)

B-Bring the boys out (Yeah, You know)  
B-Bring the boys out (We bring the boys out! We bring  
the boys out)  
B-Bring the boys out (Yeah)

Soon as I step on the scene  
I know that they'll be watching me watching me (Get  
up)  
I'ma be the hottest in this spot  
There ain't no stopping me (That's funny) Stopping me

I know life is a mystery, I'm gonna make history  
I'm taking it from the start  
Call all emergency, I'm watching the phone ring  
I'm feeling this in my heart (My heart)

B-Bring the boys out

Girls' Generation make you feel the heat  
And we're doin it we can't be beat  
(B-Bring the boys out)  
We're born to win, Better tell all your friends  
Cuz we get it in You know the girls  
(Bring the boys out)

Wanna know my secrets but no I'll never tell  
Cuz I got the magic touch and I'm not trying to fail  
That's right (Yeah fly high!) And I (You fly high!) Can't  
deny  
I know I can fly

I know life is a mystery, I'm gonna make history  
I'm taking it from the start  
Call all emergency, I'm watching the phone ring  
I'm feeling this in my heart (My heart)

B-Bring the boys out

Girls' Generation make you feel the heat  
And we're doin' it we can't be beat  
(Bring the boys out)  
We're born to win, Better tell all your friends  
Cuz we get it in You know the girls  
(Bring the boys out)

Girls bring the boys out!

I wanna dance right now  
We can show em how the girls get down  
Yes we go for more than zero  
Number one everyone should know  
Check this out!  
All'a (all the) Boys, All'a (all the) Boys want my heart  
Better know how to rock and don't stop  
Oh gee we make it so hot  
Girls' Generation we won't stop

B-Bring the boys out

It's not a fantasy, This is right for me  
Living it like a star  
Can't get the best of me, I'ma be what I wanna be  
This is deep in my heart  
(Taeyeon Jessica) My heart

I can tell you're looking at me, I know what you see  
Any closer and you'll feel the heat (B-bring the boys  
out) (Just bring the boys out)  
You don't have to pretend that, You didn't notice me  
Every look will make it hard to breathe (B-Bring The  
Boys out)  
(You don't have to pretend that, You didn't notice me  
Every look will make it hard to breathe)

'Cause the girls bring the boys out  
Girls bring the boys out  
Girls bring the boys out  
Girls bring the boys out

Girls' Generation make em feel the heat  
And we're doin it we can't be beat  
(B-Bring the boys out)  
We're born to win, Better tell all your friends  
Cuz we get it in You know the girls  
(B-Bring the boys out)
